The congressman who would vote for protection to his own district while denying it to other districts is not worthy to be called an American. Protection is either good or bad for all.

Henry Little, of the Clipper office, was a caller here last Thursday. It had been so long since he paid this office a visit we did not recognize him at first. Call again and be neighborly.

The officers including the directors of the Northeastern Indiana Fair are called to meet Friday Jan. 12, at 1:30 p. m., in the secretary's office. It is essential that every member be present.

The song that is now most sung in free trade England is, "The Starving Poor of Old England." There are men in congress who are doing their best to make the song applicable to young America as well.

Samuel Myers, of Franklin township, and Miss Emma Guthrie, of Mansfield, O., left Friday for a visit with relatives in Kosciusko county, and from there they will go to Elkhart, and thence to Michigan to visit friends.

Jones received a verdict for $7,000 against the Grand Rapids & Indiana Railroad last week, by the jury at Auburn. The company had previously paid him $1,500. No doubt the company will appeal the case to the Supreme Court.

The county tax levy in Steuben county is twenty-eight cents on the $100. In DeKalb county it is fifty-five cents. Steuben county is out of debt. DeKalb is in debt at least $70,000. Why not have a receiver appointed now.

Congressman Springer's national currency bill is no improvement on the national banking laws, and it is much more complicated. However, it serves to keep Springer from being forgotten, and that is about all its author expects of it.

Instead of accusing the opposition to the Cleveland tariff bill of being

Charles Latson, of this place, shot and killed 399 quails during the short time in which the law allowed the innocent beauties to be killed. He received ten cents each or fair wages for his work. It is a good thing the law stopped in time to protect these birds, Jan. 1, or the entire species would have been destroyed from this vicinity.

In the reorganizantion of the state board of agriculture last week, Mr. R. M. Lockhart, of this place, was succeeded by J. E. McDonald, of the Ligonier Banner. The change is no improvement to the board and it occurs to us that if the state board is to be of any benefit to farmers it should have men of better qualifications for the work in hand.

A blue racer was killed on the public square at Ligonier, Dec. 22, that measured five feet in length and at Elknart on christmas day a blue racer was killed which measured three and one-half feet in length. These are very unseasonable and unsavory subjects, but what do the editors drink up there that makes them see such snakes in the middle of winter?

Very few protests were filed pending the passage of the McKinley bill, how different now. Democrats and republicans all over the country are protesting against the Wilson bill. There must be some good cause for these protests and yet a few democratic newspapers are demanding the immediate repeal of the McKinley bill declaring that for this purpose was the present congress elected.

Work is progressing on the big ditch in Lagrange and Steuben counties. The drain has lowered Little Turkey Lake about 4½ feet and will lower Big Turkey Lake about five feet. The ditch is 14½ miles in length and at no point is less than 24 feet in width. The contract for the entire ditch was let to L. T. Harding & Son, of Laporte, for $14,500, and must be completed by Sept. 1, 1894.

The Human Electrical Forces!

How They Control the Organs of the Body.

The electrical force of the human body, as the nerve fluid may be termed, is an especially attractive department of science, as it exerts so marked an influence on the health of the organs of the body. Nerve force is produced by the brain and conveyed by means of the nerves to the various organs of the body, thus supplying the latter with the vitality necessary to insure their health. The pneumogastric nerve, as shown here, may be said to be the most important of the entire nerve system, as it supplies the heart, lungs, stomach, bowels, etc., with the nerve force necessary to keep them active and healthy. As will be seen by the cut the long nerve descending from the base of the brain and terminating in the bowels is the pneumogastric, while the numerous little branches supply the heart, lungs and stomach with necessary vitality. When the brain becomes in any way disordered by irritability or exhaustion, the nerve force which it supplies is lessened, and the organs receiving the diminished supply are consequently weakened.

Physicians generally fail to recognize the importance of this fact, but treat the organ itself instead of the cause of the trouble. The noted specialist, Franklin Miles, M. D., LL. B., has given the greater part of his life to the study of this subject, and the principal discoveries concerning it are due to his efforts.

Dr. Miles' Restorative Nervine, the unrivaled brain and nerve food, is prepared on the principle that all nervous and many other difficulties originate from disorders of the nerve centers. Its wonderful success in curing these disorders is testified to by thousands in every part of the land.

Restorative Nervine cures sleeplessness, nervous prostration, dizziness, hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is free from opiates or dangerous drugs. It is sold on a positive guarantee by all druggists, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, $1 per bottle, six bottles for $5, express prepaid.

YOUTH PLEADS GUILTY IN CITY COURT AT GARRETT

Ferdinand Schortgen, 19-year-old residing near Ashley, plead guilty in Garrett city court Monday afternoon to a charge of being an accessory after the fact in a petit larceny case.

On motion by Prosecutor Patrick J. Purdy, the charge was continued indefinitely by Judge L. Dale Green on Schortgen's promise of good behavior.

Schortgen was accused specifically of falsifying two receipts for the purchase of hubcaps in an effort to protect two other young men charged with the theft of hubcaps. One of them, Thomas Edward Miller, 19, of Hudson, plead guilty to petit larceny in court at Garrett a week ago. He was fined $25 and costs of $13 and given a suspended six-month term to the Indiana State Penal Farm. The sentence was suspended under severe restrictions placed on Miller by the court.

The other young man, a 17-year-old Ashley area boy booked with Miller on April 21, is scheduled for an appearance in the DeKalb county Juvenile court. After their arrest, the boys said four hubcaps found in Miller's car belonged to Schortgen. Schortgen, when questioned by police later, produced two purchase receipts for the hubcaps, both of which police found had been falsified. The youth said he falsified the receipts to protect the other two boys.

MAPPING PROGRAM BEING COMPLETED IN DEKALB CO.

The United States Geological survey is in the process of completing its mapping program in the eastern half of DeKalb and Allen counties and a strip along the Indiana-Ohio state line approximately 3 miles wide and 30 miles long. The Northeast corner of the project will be about 4 miles north of Edgerton, O.

These maps will be published by the Federal government. They are being worked in co-operation with the Indiana Department of Conservation as well as the geology departments of Indiana and Ohio. Work on the present series of topographic maps in Indiana started in 1937, and the complete mapping of the state should be complete in 1964. Ohio was one of the first states to be mapped topographically; the maps were finished in the early 1900's. Due to the tremendous amount of cultural changes, these maps have become almost obsolete, and for that reason the state of Ohio has decided on a new mapping program which began in 1957.

Topographic maps are being made, in this area, by the planetable method. Work began in April, and the estimated date of completion in this area is mid-November. This method of mapping, requires the engineer to cover all the land on foot. Should you see a surveying party on your land, it does not mean that the government is about to start a big federal project in your backyard, and you won't be asked to move a barn or two. The surveyors are doing the necessary field work to complete the maps, they [illegible] will be happy to answer any and all questions.

Topographic maps are essential to the states, Federal government, industry and private individuals. They give the planner and overall picture of everything on the land. These maps are important for highway and railroad planning; military maps for national defense; for irrigation and drainage ditches, for power development and cross country transmission and telephone line location, for surface water supplies and studies, and in determining reservoir and dam sites. They are used by Forest Fire Wardens in locating and combatting fires. Boy Scouts use them in planning their hikes, and camping trips. Customs and Immigration authorities and border patrols require accurate maps to apprehend aliens and smugglers. Lumber companies make extensive uses of Topo. maps. Hunters and fishermen use them in wild and not well explored places. They are used as a base for airline charts, and the well used highway maps. These are only a few of the many uses of the topographic maps.

It takes approximately 18 months to publish a map after the field work is complete. The published maps are in 5 colors and are available to the public for 30c. They cover approximately 57 square miles. Maps may be purchased in Indiana from the Department of Water resources, Indianapolis or from the Dept. of Geology at Ohio State University in Columbus, O. If you have any question regarding the field work in this area please address them to U. S. Geological Survey, P. O. Box 165, Auburn, Ind. or P. O. Box 104 Woodburn, Ind.

Death record: Book 39, pg 77, record no. 55. Health Office, DeKalb Co. Ind..

Obituary: Waterloo Press, Thursday, September 9, 1943, page 1, column 4.
"Andrew Sherman Myers, 71, a well known farmer residing on the Rope street road northeast of Waterloo, died suddenly some time Tuesday afternoon while at work on his farm cleaning up some brush from a tree that had fallen during the forenoon. His brother Samuel Myers was passing by at five o'clock and noticed the tractor standing without anyone on it, so he went to the place to investigate and found the body of his dead brother. Mr. Myers suffered a heart attack two years ago and since that time his health has been impaired. He was able to get around and do some light work, and had gone to work in the afternoon to clean up after a tree had been cut down. Coroner Kenneth Kaylor was called and rendered a verdict of death due to angina pactoris...Mr. Myers was a son of the late Amzi Myers, and was born in Franklin township Dec. 1, 1872, and had lived in the community all his life. He was married Jan. 7, 1896 to Celia Hamman, who with their daughter, Mrs. Harry Bachtel survive, besides two brothers, Samuel of Waterloo and Jacob of Fremont, and one sister Mrs. Herman Hamman of Waterloo. One grandchild is deceased. Funeral services...from the home...body...placed in a crypt in the mausoleum in the Waterloo cemetery."

ANDREW S. MYERS IS FOUND DEAD ON GRANT TWP. FARM

Funeral services for Andrew Sherman Myers, age 70, who lived on Rope street one mile northeast of Waterloo, will be held at 2:30 Thursday afternoon at the late home. Mr. Myers was found dead on his farm late Tuesday afternoon.

The deceased and his brother, Samuel, who resides nearby, had been working together in farm work Tuesday morning but in the afternoon Andrew Myers took the tractor and started to clean up some brush on his farm. Samuel Myers saw him at work at 3 o'clock Tuesday afternoon and at 5 o'clock noted that the tractor had been standing in the same place for some time. On investigation he found his brother lying on the ground near the tractor dead. County Coroner Kenneth Kaylor of Auburn was called and an inquest conducted. Mr. Kaylor decided that death was caused by an attack of angina pectoris and that he had apparently died about 4:30. Mr. Myers had suffered from heart trouble for the past two years.

Two weeks ago another brother, Thomas Myers of near Hamilton, was found dead in bed and Coroner Kaylor was called to conduct an inquest.

Andrew Myers was born on Dec. 1, 1872, in Franklin township and had lived all of his life in DeKalb county. He had resided at his present farm since 1915. He was married on Jan. 7, 1896, in Waterloo to Celia Hamman and she survives. Other survivors are one daughter, Mrs. Morgia Bachtel who lives near Waterloo; two brothers, Samuel of Waterloo and Jacob of Fremont; one

Dear AHS Class of 59 Classmate,

If you attended the reunion this last summer, it was announced that Judy Lepley Richey was recovering from surgery. A few days ago I received a card and note from her that stated the following, "I'm in Betz Nursing home for good until I'll die, so won't be going to class reunion anymore."

Would you participate in sending Christmas cards to Judy and, if possible, include a brief note. She loved attending our class reunions, and learning about the events in our lives.

Her address is:

Judy Richey
Betz Nursing Home Room 110
116 Betz Road
Auburn IN 46706

Thank you and may you have a Merry Christmas.

Cordially,

Lina Hamman Zerkle

ESTABLISHED 1859 WATERLOO, DeKALB COUNTY INDIANA, 46793 Thursday, June 9, 1966 7¢ A COPY $3.00 A YEAR

Francelia Myers 9/25/01

CHARLES CURRY IS HIT BY AUTOMOBILE

A 77-year-old Waterloo area farmer was painfully injured at about 9:45 a.m. Tuesday when he was struck by an automobile while crossing U.S. 27 and state road 427 in Waterloo.

Waterloo Police Chief Harvey Wells said Charles Curry, Rt. 1, Waterloo, was taken in the Graffis ambulance to the DeKalb Memorial hospital in Auburn.

The police chief reported he was advised that Mr. Curry sustained a chip fracture to his right hip, bruises and abraisions.

The mishap happened in front of the Citizens State Bank at the intersection of Marion and North Wayne streets in Waterloo.

The driver of the car, a 1965 Pontiac, was Harold Hoxie, 67, a resident of Waterloo. There was no damage to the car.

Mr. Hoxie told the police chief he was traveling east on Marion street and turned south on North Wayne when he saw Mr. Curry walking diagonally across the street after leaving the bank.

Mr. Hoxie braked his car and was nearly stopped when the car struck the Smithfield township farmer and knocked him to the pavement.

INDIANAPOLIS CLOWNS

PROFESSIONAL BASEBALL and COMEDY SHOW

37th SEASON

TUES., JUNE 21

CLOWNS vs. SUTTON'S AT ANGOLA SCHOOL PARK

The Clowns are an all-Negro team which has graduated such major league stars as Hank Aaron, John Wyatt and George Smith Every man on the squad is a highly-skilled professional athlete, capable of outstanding performance on the diamond. Comedy, the all-important ingredient which distinguishes this team from other hordes of horsehide hurlers, is to be found in abundance throughout the game.

"We can play on a par with any team in the country," insists Clowns' manager Charlie Middlebrooks, "and we'll throw in some entertainment while we're at it —a lot more entertainment, by the way, than the average baseball fan has ever seen in a ballpark."

The entertainers of which Charlie speaks have names like Birmingham Sam, and they do things like running the bases backward and batting from a sitting position. So whether you are a faithful devotee of the game from Spring training through the World Series. You'll get yourself a laugh a minute when you watch the unpredictable antics of those colorful Clowns.

Game time is 7:30 p.m.

TWO FASTEST TRAINS PILE

Pennsylvania Railroad's Congressional Limited Takes Toll of Seventy Lives It is Believed

N. Y. C. CENTURY IS WRECKED

Three Known Dead when Boiler of Locomotive Explodes and Hurls Cars Along Right of Way, 20 Miles East of Syracuse Monday

Two of the nation's fastest trains were wrecked as the close Labor Day. Both trains were eastbound. The Pennsylvania's Congressional Limited was taking a curve into the northeast part of Philadelphia when the wheel from seventh car of the 16-car train burned off and piled up the rest of the train in a twisted mass, killing probably seventy persons. There were 541 passengers on the train. The wreck occurred at 5:12 p. m. Monday evening. The train was electric powered and makes the 225-mile run in 210 minutes. Many of the passengers were service men, returning after a Labor Day leave.

Nine hours later the Twentieth Century Limited running from Chicago to New York was wrecked when the boiler of the locomotive blew up, killing three crewmen in the cab. Several others were injured when the

FINDS DEAD BODY OF ANDREW MYERS

Well Known Farmer Residing on the Rope Street Road Died While at Work on His Farm Tuesday

9-7-43

Andrew Sherman Myers, 71, a well known farmer residing on the Rope street road northeast of Waterloo, died suddenly some time Tuesday afternoon while at work on his farm cleaning up some brush from a tree that had fallen during the forenoon.

His brother Samuel Myers was passing by at five o'clock and noticed the tractor standing without anyone on it, so he went to the place to investigate and found the body of his dead brother.

Mr. Myers suffered a heart attack two years ago and since that time his health has been impaired. He was able to get around and do some light work, and had gone to work in the afternoon to clean up after a tree had been cut down. Coroner Kenneth Kaylor was called and rendered a verdict of death due to angina pactoris. Just how long he had been dead was not determined, but it was believed to have been about 4:30.

Mr. Myers was a son of the late Amzi Myers, and was born in Franklin township Dec. 4, 1872, and had lived in the community all his life. He was married Jan. 7, 1896 to Celia Hamman, who with their daughter, Mrs. Harry Bachtel survive, besides two brothers, Samuel of Waterloo, and Jacob of Fremont, and one sister, Mrs. Herman Hamman of Waterloo. One grandchild is deceased.

Funeral services will be held from the late home at 2:30 this afternoon and the body will be placed in a crypt in the mausoleum in the Waterloo cemetery.

BOOST RATION POINTS AGAIN

Canned Fruits and Butter Soared Upward Sunday in New OPA Order Issued Friday

SOME MEAT POINTS ARE CUT

So Far But Little Red Meat Has Appeared in Local Markets — Scarcity of Some Food Stuffs Still Prevail

Four types of canned fruit took a boost in ration points Sunday when the new OPA order became effective. It was claimed that the purpose was to slow down shoppers from buying processed foods that they do not need at the present time.

The agency made point changes in 21 food items—13 up and eight down—as the result of a survey of the demand and available supplies of canned and processed foods.

Canned fruits—especially cranberries, peaches, apples and pears—have been going off dealers' shelves too rapidly, OPA said, and "new packs of these items are running below the figures of a year ago."

It fixed the ration value of No. 2 (large) size canned apples at 10 points, an increase of three; 16 oz. cranberries at 10 points, up two; No. 2½ peaches at 27 points, up four, and No. 2½ pears at 21 points, up six.

The same order returned dried prunes, raisins and currants to the ration list after a summer vacation. They were valued at four blue points a pound. Last March prunes, raisins and currants were 20 points a pound, but they were made ration-free during the hot weather so stocks could be sold out before they spoiled.

Canned, Bottled Beans Up

Point values were raised for canned and bottled beans, pumpkin and squash. Other types of canned beans—fresh shelled, green or wax and fresh soy beans—were reduced, probably because fresh vegetables now are in demand.

The following are the new ration values:

Fruits—No. 2 apples, 10 points; 16-ounce cranberries, 10 points; No. 2½ peaches, 27 points; No. 2½ pears, 21 points.

Vegetables — No. 2 fresh shelled beans (including black-eye peas), 10 points; No. 2 green or wax beans, 10 points; No. 2 fresh soybeans, 5 points; No. 2 canned and bottled beans (baked beans, etc.), 18 points.

No. 2 beets, 8 points; No. 2 carrots, 8 points; No. 2½ pumpkin or squash, 21 points; 2½ tomatoes, 21 points.

The OPA boosted creamery butter two red ration points because production is five percent below estimates and the "decline is steadily increasing." Country—farm-churned—butter cut from 10 to 6 points a pound in an

Biography of William Henry Bachtel, pages 830/831. History of DeKalb County, Indiana; B. F. Bowen & Company, Inc., Indianapolis, 1914.

William Henry Bachtel

Among the citizen of Smithfield township, DeKalb county, Indiana, who have built up a comfortable home and surrounded themselves with valuable landed estates and personal property, few have attained a higher degree of success that the subject of this sketch. With few opportunities except what his own efforts were capable of mastering and with many discouragement's to overcome, he has made and exceptional success in life and in his old age has the gratification of knowing that the community in which he resides has been benefited by his presence and counsel.

William Henry Bachtel is a native of DeKalb county, Indiana, born on March 12, 1863, on a farm in Smithfield township and is a son of Henry and Mary (Moyer) Bachtel. Henry Bachtel, whose death occurred on July 23, 1913, was born in Holmes county, Ohio, on February 19, 1829, the son of George and Catherine (Mammaw) Bachtel, both of whom were natives of Pennsylvania. He was reared in his native county and came to DeKalb county in 1850, where he was employed at the trade of a blacksmith, which he had learned in his home community and in which he had been employed since the age of nineteen years. He followed this pursuit at Auburn for a great many years, and in 1860 bought the Mortorff farm near Summit, comprising one hundred and twenty acres, which he operated until the fall of 1863, at the same time giving some attention to the trade of blacksmith. In the latter year he bought a farm of one hundred and twenty-four acres south of Waterloo, to which he gave his attention and to which he added by later purchases. In 1865 Mr. Bachtel was drafted for the war, but sent a substitute in his stead. He lived on this latter farm, now known as the Bachtel homestead, until his death, which occurred on July 23, 1913. His wife, May (Moyer) Bachtel, to whom he was married on April 29, 1852, died on March 15, 1895. Mr. Bachtel had improved his farm erecting the buildings now upon it, among the structures erected by him being a barn fourteen by thirty feet in size, and which was added to until it now measures forty by seventy-six feet, and in other ways he made many substantial improvements which indicated him to be a man of progressive ideas and up-to-date in his tendencies. After the death of his wife, Mr. Bachtel made his home with his son on the old homestead. He was a sober, earnest, hardworking man, regarded as one of the foremost farmer in the community, and was a loyal and active member of the United Brethren church. To him and his wife were born nine children, two of whom died in infancy, the others being Delilah, the wife of Robert Patterson, who is a shoe dealer of Waterloo; Emanuel, deceased; John Wesley, who lived to manhood near Waterloo and died in 1908, at his father's home; Mahala, the wife of Henry D. Shoemaker, of Smithfield township, this county; William H., the immediate subject of this sketch; Ada F., the wife of Daniel Dilgard, of Montpelier, Ohio; Emma, who died at the age of twenty-five years; Albert, who died in childhood, and Bert, who is living on the old homestead.

William H. Bachtel was reared on the paternal farmstead, securing his education in the common schools and engaged in teaching schools in different townships in the county during the winter months, farming in the summer. In 1894, two years after his marriage, he bought his present farm, on which he located in 1892. Four acres of this land is in standing timber and seventy-six acres under cultivation. Mr. Bachtel's barn, the oldest in the township, burned on July 30, 1913, and he is now engaged in the erection of a new one, which, when completed, will be one of the finest in Smithfield township.

On March 27, 1892, Mr. Bachtel married Mary Jane Walker, the daughter of Eli Walker, who is represented elsewhere in this work, and therefore Mrs. Bachtel's personal family history will not be repeated here. To Mr. and Mrs. Bachtel have been born two children, Harry Earl and Estel Vern.

Politically, Mr. Bachtel has given his support to the Republican party consistently since attaining his majority and has been active and influential in it support. Fraternally, he is a member of the Knights of Pythias at Waterloo, being interested in the workings of that order. He is essentially a man of affairs, of sound judgement, keen discernment, farseeing in what he under takes and every enterprise to which he has addressed himself has resulted in satisfactory financial returns. His success in life has been the legitimate fruitage of consecutive effort, directed and controlled by good judgement and correct principles, and because of his high qualities of character he is eminently deserving of the confidence and regard which are bestowed upon him in the community in which he resides.

We received too late for last issue an account of a surprise party given by Mrs. Jacob Myers, on her husband at their home three miles east of Waterloo, on the occasion of his birthday, Sunday Aug. 6. Those present were; Mr. and Mrs. Henry Whetzel and daughter, Almina, Mr. and Mrs. Levi Myers, and daughter, Mina, Mr. and Mrs. Wm. Wolf, Mr. and Mrs. Clark Whetzel and daughter, Hazel, Mr. and Mrs. Andy Myers and daughter, Margrie, Mr. and Mrs. Tom Myers and son, Quinton, Mr. and Mrs. Herm Hammian and son, Russel, Mrs. Laura Funk and sons, Frank and Irvin and Mr. Sam Myers. The day was spent in appropriate music and social converse, and a graphaphone entertainment. A bounteous dinner was served, and Mrs. M. presented her husband a fine rocker which very much pleased him. It was an enjoyable day and all gave Mrs. Myers credit for her hospitality and wished Mr. Myers many returns of the day.

Waterloo Press

Editor Press:—A distressing case of accidental shooting occurred in this (Franklin) township, last Saturday afternoon, in which Jakey Myers, who lives with his parents, near the center, was seriously if not fatally shot by his little brother Andy. At this writing, Tuesday evening, there are hopes of the boys recovery, but the chances are ten to one that it will prove fatal. As near as can be learned, the following are the particulars: Mr. and Mrs. Myers and little daughter, had just started for Williams county, Ohio, on a visit, and had left the two little boys at home, till their older brothers should come from work, to stay with them over night. The parents had not been away but a short time, when the boys concluded to go up stairs and snap paper caps on their toy pistols, but finding none Jakey said that they would have some fun anyway, and took down the shot-gun and gave it to Andy, who laid it on his arm and proceeded to remove an exploded cap and replace it by a new one, and when done, accidentally let the hammer down, discharging the gun, putting the entire contents of 175, No. 6 shot, into Jakey's jaws and the upper part of the chest. Several shots penetrated the upper lobe of the left lung. The boys thought the gun unloaded, and having a burnt cap on confirmed that opinion, and it was regarded as the very thing to snap caps on. After the accident, the boys thoroughly frightened, started for Mrs. Wolf's, their grandmother. Dr. Cameron, of Hamilton, was sent for and dressed the wounds. Jakey is near 15 years old, and Andy younger, both industrious careful boys. When Mrs. Myers returned, he begged his mother not to blame Andy, as he was not as much to blame as himself. over

Jakey Myers, of Franklin township, who accidently shot himself, an account of which appeared in last week's issue has so far recovered that he was removed to his home on Tuesday last. Mrs. Myers desires to return thanks to the friends and neighbors who have thus far assisted in taking care of little Jakey. over

Mr. Jacob Myers, who recently purchased the McQueen farm in Franklin township, met with a serious accident last Monday evening. He was throwing wood into the woodhouse, not observing his axe, and in some manner the axe was thrown forward with great violence, the blade striking him on the upper lip, cutting a gash an inch and a half long, to the jaw bone, and knocking out a tooth, rendering him unconscious for a short while. He doesn't care to use an axe any more unless he has it by the handle.

COUNCIL MEETING

It Is Trolley Lines, Pavements, Protests, Petitions and the Like.

TUESDAY.

The council was rather slow in assembling, and it was 8:30 before Mayor Sprott brandished his gavel. Five members, Long, McCord, Cochran, Brandon and McCrory, answered the the call, Zimmerman being absent on a trip in the Northwest. Clerk Weaver was present of course, and Supt. Lewis, Treasurer Schaab, Engineer VanAuken, Marshal Lahnum and Attorney Link were present a part of the time. Minutes were read nd approved.

Regular business was waived to allow Mr. Woods of Fort Wayne to present the interests of McCullough—Fleming trolley line. He said he had met the committee and the council at various times and believed the changes made in ordinance were such as could be adopted by both. He was told the franchise would come up in proper order. At the call of that committee Mr. Brandon handed to the city attorney, the Fort Wayne franchise, and the latter read it aloud, for the council. To the greater part of it, no objection was raised. The points most discussed the clauses in regard to paving streets, and, the choice of streets to be used. As heretofore, the company wishes to be allowed the choice of going on Railroad street, Jackson or Cedar. They are willing to take Cedar, but fear to accept a franchise on that line, as the Toledo people have till Oct. 1, to decide whether they will take it, as they have once accepted it. But the conditions for them, are, that they must by that date have expended in work on the line from here to Waterloo, $5,000, and as much between this place and Garrett. It looks now as if it would be safe for the Fort Wayne people to accept Cedar street. It also appears that the council can let several companies have the same street and the one that begins work on it first, will be the one to hold it. The matter of paving any street the city wishes to pave, was another hitch.

SURPRISE PARTY

Given by Mrs. Jacob Myers in Honor of Her Husband.

Sunday Mrs. Jacob Myers gave a very enjoyable surprise party at her home four miles west of Butler in honor of her husband, the guests being relatives and intimate friends of his who were invited in to help him celebrate his birthday.

At about one o'clock a delicious three course dinner was served, a congenial and joyous party being seated around the table giving evidence by their happy faces of the pleasant time they were having.

The time before and after dinner was passed in a very enjoyable social way, music on the piano and selections on the graphaphone being special features of the entertainment and greatly appreciated by all the party who when the time came to bid adieu to their hostess and the guest of honor were profuse in their words of praise for the very pleasant day accorded them, pronouncing Mrs. Myers an admirable and graceful hostess, and wishing Mr, Myers many happy returns of the day.

Mrs. Myers presented her husband with a very fine rocking chair as a remembrance of the day.

Those present were:—Mr. and Mrs. Henry Whetzel and daughter Almina, Mr. and Mrs. Levi Myers and daughter Mina, Mr. and Mrs. Wm. Wolf, Mr. and Mrs. Clark Wetzel and little daughter Hazel, Mr. and Mrs. Andy Myers and daughter Marjory, Mr. and Mrs. Sam Myers and son Quinton, Mr. and Mrs. Herman Hamman and little son Russel, Mrs. Laura Funk and two sons, Frank and Irvin.

A Short Bio about Grandpa Tom

1867-1943, Hamilton, DeKalb Co., IN

Grandpa Tom was a very lucky man, in many aspects of his life. First he was raised, by his mother, and her second husband, Levi, because it seemed his father couldn't stay at home. Amaziah was considered a womanizer and Tom's parents had divorced, when he was young. His eldest brother, went to live with his father, and the younger sons, stayed with their mother. All the children, were hired out, to help the family make ends meet. Tom [redacted] went to live with Oscar Taylor, and his family. While there, Tom was expected to work hard, for his room and board. After reaching a certain age, he came back home and lived on his family's farm, east of Taylor's Corner School, which was located in Franklin Twp. of Dekalb Co., IN.

Even though Tom's schooling was limited, he was a very smart young man. He participated in many spelling bees and also sang at functions, held in the area. His sister, Amanda accompanied him, on many of these occastions. More than likely, it was at one of these local functions, that he would meet the young school teacher, Minnie. She had been teaching school in both Franklin and Smithfield Townships, at this time.

Tom also excelled at math and would enter Tri-State College, which is located in Angola, Steuben Co., IN. He earned a Bachelor of Commercial Science degree, and graduated in 1897. He would also take a course in banking from a business school, located in Chicago, IL. When the Panic of 1897-98 occured, Tom had to change his course of action. He became a farmer, and a very successful one at that, even if he happened to be accident prone. Tom had several near death experiences during his long life. He had once been hit by a train, in Waterloo, DeKalb Co., IN, and struck the brick building, just right of the tracks, coming into Waterloo, from Auburn. He also fell from the top of the silo, that was being built, on his farm. The only injury he sustained was a broken leg, and a few less inches of height. He lived through both incidents, and Minnie, the strong German woman, carried on with all the farm work. Many times, she had hitched up the horses and got the fields planted and harvested, because Tom was healing, from some accident. His oldest son, Quentin, had to drop out of school, to help take care of the farm.

Tom would die at the ripe ate g of 76, after many years of declining health. He had suffered from Angina for many years. He died peacefully, in his sleep, on 16Aug1943. His son, Quentin, and his grandson, Donald, would also die in this fashion.

ed him in death.

At the age of three years, he moved with his parents and family from Kosciusko County to DeKalb County, where he lived the remainder of his life.

In 1897, he was united in marriage with Miss Minnie May Lautzenheiser. To this union four children were born, two sons and two daughters. One son and one daughter died in infancy.

After their marriage, Mr. and Mrs. Myers selected farming as their life's vocation. In the year 1898, they purchased and moved onto the farm now owned by them and on which he passed away on the morning of August 16, 1943, at the age of 76 years, 4 months, and 29 days.

When a young man, he became a member of the Pleasant Hill U. B. Church and in 1898 had his membership transferred to the Methodist Church of Hamilton. For many years, he has been a member of the Masonic Lodge at Hamilton.

He leaves to mourn, his wife, one son, Quentin, of Hamilton; one daughter, Thelma Emerson, seven grandchildren, one great grandson, three brothers, Jacob of Montgomery, Mich., and Samuel and Andrew of Waterloo, and a sister, Mrs. Amanda Hamman, of Waterloo, also many other relatives and a host of friends.

Funeral services were held at the Hamilton Methodist church on Thursday, August 19, with Rev. A. A. Turner officiating, assisted by Rev. Paul Stephenson, and burial was in the Hamilton cemetery.

Thos. Myers, of Franklin Twp., about 33 years of age, was severely injured, last Friday, by a fall. He was at work putting a track in his barn for the hay fork, and losing his footing, fell a distance of twenty-five feet, striking upon some farm machinery, injuring his back and causing paralysis of the lower part of the body and limbs. His recovery is doubtful. It is a sad accident and comes at a time when the farm work is in demand. He had recently incurred a considerable debt in purchasing a farm which makes the burden still more serious.

Twilah Myers

Twilah Myers, infant daughter of Mr. and Mrs. Thomas Myers, was born Feb. 11, 1911, and died May 18, 1911.

The little dewdrop came down from heaven to glisten in the morning light and gladden the hearts about her, only to be taken up by the brighter light of the day to crimson the cloud above us with the beauty of the sunlight.

Little Twilah leaves father, mother, brother, sister, grandparents and many dear ones to grieve over the briefness of her stay with us.

The funeral was conducted from the home of the parents May 20th, by Rev. R. A. Morrison. Interment in the Hamilton cemetery.

CARD OF THANKS

We desire to thank our friends and neighbors for their kindly assistance and sympathy during the sickness and death of our baby.

THOMAS, AMANDA AND SAMUEL MYERS

Short Bio about Grandpa Tom

Grandpa Tom was a very lucky man, in many aspects of his life. First he was raised, by his mother, and her second husband, Levi, because it seemed his father couldn't stay at home. Amaziah was considered a womanizer and Tom's parents had divorced, when he was young. His eldest brother, went to live with his father, and the younger sons, stayed with their mother. All the children, were hired out, to help the family make ends meet. Tom had went to live with Oscar Taylor, and his family. While there, Tom was expected to work hard, for his room and board. After reaching a certain age, he came back home and lived on his family's farm, east of Taylor's Corner School, which was located in Franklin Twp. of Dekalb Co., IN.

Even though Tom's schooling was limited, he was a very smart young man. He participated in many spelling bees and also sang at functions, held in the area. His sister, Amanda accompanied him, on many of these occastions. More than likely, it was at one of these local functions, that he would meet the young school teacher, Minnie. She had been teaching school in both Franklin and Smithfield Townships, at this time.

Tom also excelled at math and would enter Tri-State College, which is located in Angola, Stueben Co., IN. He earned a Bachelor of Commercial Science degree, and graduated in 1897. He would also take a course in banking from a business school, located in Chicago, IL. When the Panic of 1897-98 occured, Tom had to change his course of action. He became a farmer, and a very successful one at that, even if he happened to be accident prone. Tom had several near death experiences during his long life. He had once been hit by a train, in Waterloo, DeKalb Co., IN, and struck the brick building, just right of the tracks, coming into Waterloo, from Auburn. He also fell from the top of the silo, that was being built, on his farm. The only injury he sustained was a broken leg, and a few less inches of height. He lived through both incidents, and Minnie, the strong German woman, carried on with all the farm work. Many times, she had hitched up the horses and got the fields planted and harvested, because Tom was healing, from some accident. His oldest son, Quentin, had to drop out of school, to help take care of the farm.

Tom would die at the ripe ate of 76, after many years of declining health. He had suffered from Angina for many years. He died peacefully, in his sleep, on 16Aug1943. His son, Quentin, and his grandson, Donald, would also die in this fashion.

RAYMOND HAGERTY WRITES FROM INDIA

Dear Joan White:

This is right hot off the line from India. Not a bad place but not anything like the States, and far from being like Indiana. It is damp here and hot as heck most of the time. Rains almost all the time but its the time of year here because its the monsoon weather. In a month or so they will be over then they tell me it will get cooler and will be pretty nice. And the mosquitos are thick as heck here and plenty of them are malaria. Three of our officers are in the hospital for it now and one of the enlisted men also. Better I should knock on wood, any time I might get it, in fact any time I expect it because I get bit plenty while working here late in the evenings.

Had quite a time shipping from the States. Left there 3-25-'43 from Frisco and then to Los Angeles, then to (censored) then to —— and finally to India. Took us 48 days by boat then after we landed at——— we came to ——— (new) and from there I cant say but it was by train and the trains are not like the ones in the States. They are smaller and stop at every little place there is along the line for anywhere from five minutes to that many hours. The seats are wood benches and they have no place to sleep on them (except on the benches). The trip from ——— took 14 days and thats a long time to sleep on benches, and you cant buy any food along the way because its not fit to eat. We had to carry our rations with us which was beans, hash, and canned biscuits. We had been told the trip would take not more than 4 days, but they made us take enough for 7 days and we were on the road 14 so we had to eat along the way some. We would order eggs and then stand and watch them fried so we knew they were clean. Water is another thing we have to be careful about. For some reason the Indians can eat or drink anything and it dont bother them any, but it dont work that way with us. Part of the time we had to wait to catch a ferry. There we waited for 3 days and nights, and the wait was at an Indian rest camp. Well, they had tents and bamboo huts. The tent leaked and the bamboo hut didnt, so I picked the hut. First night it rained real hard and the roof, of course, is made out of celor for sure). Had me a birthday this month, too. 26 now.

Guess I had better call it a day and go to the barracks. Its about 2 miles from here and I got to walk it and the same thing goes for in the morning. Supposed to be here at 5:00, then get off at noon and am done till the next noon. Got a good job. All I do is operate a teletype machine. Am not so hot on it but get by OK. Doubt if I conquer the thing for the duration but got hopes for the plus six months.

As ever,
Raymond (Cash(Hagerty

DONALD SANXTER WRITES FROM SOUTH PACIFIC

July 1, 1943

Dear Folks:—

I am getting a long way behind in answering your letters. Three of them arrived this past week, so I'm pretty well up on the news. I also receive the Steuben Republican regularly now and only about a month old. That is pretty good considering that newspapers are last priority. There must be a lot less news or else the paper shortage is becoming acute, because the paper seems to get smaller all the time. The last issue contained the picture of Evelyn Sharp receiving the Silver Star awarded to her husband. He must have done something quite heroic because the S. S. is pretty high ranking award especiallly for an infantryman. In the air corps awards are more or less thrown around. I guess that is why they gave me the D. F. C.

You wondered if we had any WAACs over here. No, I have never seen any but if they were here they wouldn't be where we are. We did have a U. S. O. show here two nites ago. It was the first one but there are promises of more to follow. I really hope so because it was darn good and considering that it consisted of only five men, a P. A. system and a plank platform, it was excellent. Two of the boys had the best impersonation of F. D. R. and Eleanor that I have ever seen.

Yes, I have my airplane named. In fact the picture on the nose of the plane was adjudged by a photographer as the best in the S. W. P. A. I have a picture of the entire crew with the plane insignia as a background and I'll show it to you sometime. The name, incidently, is "The Nipper."

THOMAS E. MYERS, 76, FOUND DEAD IN HIS BED

Thomas E. Myers was found dead in his bed at his home southwest of Hamilton, at 6:30 Monday morning. County coroner, Kenneth Kaylor, of Auburn, was called and he found that Mr. Myers had suffered a fatal attack of angina pectoris. Mr. Myers had been ill for many months and had been afflicted with heart trouble for a long time. He had suffered a severe attack five years ago and had had several lighter attacks since.

Mr. Myers had retired about 8 o'clock Sunday night, telling his wife that he did not feel well. She did not go to bed until 12:30 and at that time gave him medicine and he said that he felt better. When Mrs. Myers awoke Monday morning she found that he had passed away. It is thought death occured about 3 a. m

The body was brought to the Swift funeral home, where it was prepared for burial and then was taken back to the home Tuesday afternoon to await funeral services which were held at the Hamilton Methodist church conducted by Rev. A. A. Truner of Angola, a former pastor, assisted by Rev. Paul Stephenson, on Thursday afternoon at 2 o'clock. Burial was made in Hamilton cemetery.

Mr. Myers spent all of his life in DeKalb ocunty. He was born on March 17, 1867, and was 76 years of age. For the past 45 years he had lived on the farm where he died. He is survived by his wife, Minnie; one son, Quentin, who lives nearby; one daughter, Mrs Thelma Emerson, who is now at home; three brothers, Samuel and Andrew of Waterloo, and Jacob of Fremont; one sister, Mrs. Amanda Hamman of Waterloo; seven grand children and one great grand child. Mr. Myers was a member of the Masonic lodge and the Hamilton Methodist church.

STUDEBAKER SALES FOR FIRST HALF OF YEAR

Word has just been received by L. E. Thibaut, local Studebaker dealer, of the new record established by the Studebaker Corporation of America for the first six months of 1923, when a total of 81,880 Studebaker cars—all sixes—were sold.

All Studebaker plants continue at capacity operation and the present output of 15,000 cars per month is insufficient to meet the present demand for more Studebakers from every section of the country, which is as great—or greater—than at any time this year.

It is well known that right from he first of the year Studebaker has experienced a demand that has continuously been far in excess of production although the plant capacity was substantially increased during the spring when a number of new factory units

The sale of 81,880 cars in the first six months of 1923 shows an increase of 36 per cent over the best previous six months' business in the Studebaker history—that of 1922—when a total of 60,653 cars were sold.

FORMER HAMILTON WOMAN DIES AT LOS ANGELES

Word from Los Angeles, Cal., tells of the death of Mrs. R. A. Chappell, aged 89, former resident of Hamilton, which occurred July 3, of heart disease. With her husband, who died several years ago, her daughters, Mrs. Will Miller, Mrs. Samuel Aldrich, Mrs. Bert Smith and Nora, with whom she lived at the time of her death, Mrs. Chappell left Hamilton about 17 years ago, going to Los Angeles, where she had since lived.

Her death recalls the death of her only son, Ray Chappell, which occurred on the Wabash crossing at Hamilton 24 years ago. Ray with his little son, Robert, and little daughter, now Mrs. Mary Everetts, were driving across the track and were struck by a train. The father and little boy were killed. The little daughter was found sitting on the bank with her dress over her face and the mother was lying near by, maimed and unconscious, but not fatally hurt.

LOCAL AND GENERAL

L. R. Willey, head of the vocational department of the Waterloo schools, has returned from Purdue where he attended the vocational instruction work.

The Toledo-Chicago pike east and west from Kendallville is reported to be in bad condition. The heavy traffic makes it impossible to keep gravel roads in shape.

Mr. and Mrs. Jacob Saltsman visited over Sunday with Mr. and Mrs. Frank Smith, at Vicksburg, Mich., returning home Tuesday. Mr. Saltsman is an uncle of Mrs. Smith.

Elmer Goodwin and wife and John Thomas, wife and son Wayne, visited with Milton Barnes and family at Athens, Mich., Sunday and Monday. Mrs. Goodwin and Mrs. Barnes are sisters.

Mr. and Mrs. Henry Nodine entertained at Sunday dinner, Mr. and Mrs. J. E. Creighton, of Mishawaka, Mr. and Mrs. Leo Dinkledein and son, of Bourbon, and Mrs. Grace Byers and son Richard O'Brien and Mr. C. L. Childs, of Waterloo.

Word received from Mrs. Chloe Boyer, who is at Cleveland with her son, Dr. G. A. Kennedy, states that she was not so seriously injured as was first thought last week when she fell down a flight of stairs, and that she is getting along very nicely. Her cousin, Mrs. Clara Rude, of this place, is still with her.

Dr. W. W. Swarts, county health commissioner, has filed his report for the quarter ending June 30, and shows that there have been very few contagious diseases in DeKalb county for this period. During April, May and June there were two cases of small pox, 15 of measels, 1 of whooping cough and 1 of diphtheria.

Anyone wishing Dr. Vance's headache powders can get them by calling at the residence. 3-3t

AN ENTERPRISE THAT MERITS YOUR SUPPORT

Notwithstanding the amount of shipping that is now lying idle in the harbors and at the docks of the United States, ocean travelers are still obliged to pay high rates for trans-Atlantic travel, and an unparalled opportunity to build up the American Merchant Marine is being lost. MILFORD CEMETERY, located on County Road 60 W, about one half mile south of Road 1350 N in Van Buren Township, Kosciusko County, Indiana.

This is a very large cemetery, about 300 feet wide and more that a quarter of a mile long from east to west. Section I is the newest section. About half of this section is covered with a fine stand of native trees. The west one forth of this section is mostly unoccupied at this date.

Section II is the VAN BUREN TOWNSHIP CEMETERY, under the care of the township. This is the oldest part and is poorly cared for, not being a part of the endowed MILFORD CEMETERY.

The first eight rows, at the east end, of Sections II & III contain the most recent graves in these sections.

This cemetery is fenced on all sides except at the road, and the part under endowment is well cared for.

These inscriptions were gathered during the month of October 1977 by L. H. Binnie, Rt. #4, Albion, In. They were checked against the D.A.R records as recorded about 40 years ago. In the old records, many of the old persons who died before 1880 were not recorded. Of those that were recorded, errors were found for more than half of those listed.

Portions underlined in this report indicate corrections in the older data. Portions in quotation marks contain data found in the older records but not on the stones. Portions in parentheses were worn or indistinct on the stones.

TO THE USERS OF THIS MATERIAL

All the stones were recorded by location in each row as an aid in identifying family relationships. Unless otherwise stated, all odd numbered rows were recorded from north to south and all even numbered from south to north.

Letters and figures that were indistinct on the stones were recorded to my best judgement and enclosed in parentheses, thus 185(3). About 45 years ago, the DAR made a record of some of the older stones in these cemeteries, except in the Hoover Cemetery. These records were usually for persons born before 1860 and who died before 1880. These records are often incomplete, and gave only the year of birth and death and age to the nearest year. They were found to contain many errors. If the data recorded by the author did not agree with the older records, the stones were rechecked. Corrections are shown as the underlined portions in this report. In a few cases the older records contained data that could not be read in 1977 or added information not found on the stones. Such material has been added and showen in quotation marks.

THE WATERLOO PR

WATERLOO PRESS
12 SEPT. 1912

WATERLOO, INDIANA, THURSDAY MORNING, SEPTEMBER 12, 1912

George Knaval

George Knaval was born in the state of Ohio in 1828. He moved with his parents to DeKalb county, Ind., in 1841 where he has continuously resided until Sept. 6, 1912, when he quietly passed on at the advanced age of 84 years.

In 1863 he was united in marriage to Marie Myers, daughter of Capt. J. Myers, a veteran of the wars of 1812 and 1847. To this union were born three children, Emma, wife of S. Nodine, Laura, wife of B. F. Nodine, and Benjamin, who passed on in childhood.

Surviving are 2 daughters, 7 grandchildren, and 3 great grandchildren. His companion passed on in 1890 and since that time he has remained with his daughter Emma. He was honest, industrious and a good father and husband.

The funeral was conducted from the home of his son-in-law, Silas Nodine, four miles east of Waterloo, Saturday morning, Sept. 7, by Rev. G. F. Hubbartt. The burial took place at Hamilton.

Glen Bohler Struck a Clothes Line With Full Force

~~Glen Bohler met with an accident Saturday forenoon that settled him for a few moments and might have been worse. He was working for Beyer Bros. Co., and a large rooster escaped from the coops when Mr. Harpster started to run it down. Mr. Bohler joined in the race and as the rooster ran back of the tin shop to the west of the poultry house, Bohler made a jump over some rubbish, keeping his eye on the bird, but did not see a rusty wire clothes line attached to the tin shop, and the wire struck him across the bridge of his nose and as he was running and struck it with full force the wire cut in his nose a gash an inch long and he fell to the ground as if he had been shot. It was several minutes before he could get on his feet and while it is fortunate his eyes were not injured, the wound may be serious.~~

~~Auto Driver Speer Nearly Caught~~

~~C. O. Speer came very near being out an automobile last Saturday noon and a possible loss of life. He was in the act of driving his machine, containing four people including his children, across the Lake Shore track on Washington street, when the first section of No. 4, east bound overland limited running at lightning speed flashed by, and Mr. Speer had just time to back up. Spectators were so frightened that the hair on a bald headed man stood up straight, and they declare that had the clutch failed to respond the result would have been disastrous beyond question. It is worth while not to take chances when one of these fast trains are about due.~~

DEKALB COUNTY VETERANS

HELD SUCCESSFUL MEETING IN CORUNNA THURSDAY

THE SPEAKERS FOR THE DAY

Were Frank W. Willis, of Waterloo, and W. H. McIntosh, of Auburn--Colors Waved.

The DeKalb County Veterans' Association had a very interesting and successful reunion at Corunna last Thursday and about seventy-five comrades of the Civil war were present and about sixty enrolled their names on the roster.

The forenoon was devoted to business, election of officers, distributing badges and social pleasures. The ladies of the M. E. Aid furnished the meals and everything was served "warm," that is to say, it being the hottest day of the season. No cool spot could be found. The thermometer registered in the nineties and there was little air stiring.

The comrades applied the "route step" to the manner of apparel and shed coats and vests. Those who failed to do so were about roasted to a turn.

The town, which has become a business center for that community, was decorated with flags and bunting and the spirit of good cheer prevailed. At 1:30, by the inspiring notes of the drums and fife, the comrades formed in line and marched to the M. E. church where the exercises were held.

Col. Levi W. Treesh presided and Adjt. C. R. Reed recorded the proceedings. The program opened by the song America by the audience. Rev. Thomas led in the invocation and Prof. M. T. Markley, president of the town board, gave the address of welcome in which he expressed the appreciation of the citizens of the town in the coming of the old veterans with the uplift of patriotic impulse into their midst. Mr. Markley's address was thoughtful, well prepared and highly appreciated.

The response was given in a well written article by Prof. McIntosh, of Auburn, in which he referred to the experiences of war times and the welcomes the comrades received in loyal communities as well as the unfriendly welcome in disloyal territory. He closed his address with a hearty response to the sentiment of the first speaker.

Following this a quartet of male voices from Corunna rendered a fine selection which was enthusiastically encored by the audience. Next came the campfire in which nearly a score of veterans related war time experiences and told jokes upon each other besides touching the pathetic chord of the more somber side of war experiences.

These remarks proved very interesting and old and young enjoyed the army stories told by the old veterans, many of whom are marching with slow pace as they go towards the setting sun. Miss Iris Smith, of Butler, recited an appropriate selection which was well received. This was followed with a recitation by Miss Marcile Smith, of Corunna.

The Coffee Cooler's quartet, composed of four comrades, C. R. Reed, F. N. Beidler, Robert Patterson, and F. W. Willis, of Waterloo, rendered several selections during the afternoon which were highly appreciated because they were all war veterans.

The ladies quartet of Corunna rendered a fine selection and proved their musical talent. Owing to the death of Mrs. M. E. Reynolds, the flag drill in which two of her daughters were to have taken part, was omitted much to the disappointment of the audience.

The address of the afternoon was delivered by F. W. Willis who chose for his subject "the decline of patriotism, cause and remedy." Considering the fact that the passion of selfishness and ambition are the paramount motives that govern politicians in this year, 1912, and the greed for wealth has possession of much of the brain power of American citizenship, it may be taken for granted that patriotism, which is love for country, is on the decline.

The cause is lack of loyalty, which is a plighted faith to duty, loyalty to home, to church, to school, to the law, moral and divine, state and nation, to labor, to friends and comrades and those who are thus loyal are certain to be patriots, for it is the heritage of the father who gave us the nation, the tripartite government, the executive, the legislative and the judicial, governed by a constitution of law and not of men. The time is at hand when the partisan should become the patriot and stand by the integrity of established policies.

The remedy, considering the vast influx through immigration preventing assimilation to a greater or less degree must be through their children in the public schools. Hence the law makers have required the singing of the entire hymn on patriotic days of "The Star Spangled Banner," the national hymn, and school officers are required to furnish the words and music in sufficient quantities to supply the schools, also by the statute of 1911, school officers are required to furnish a national flag, not less than six feet in length, for every school house, which flag must float during school hours, provided when the

DAY AND NIGHT SERVICE

OF ELECTRIC CURRENT IN WATERLOO NOW ASSURED

WATERLOO AND ANGOLA DEAL

Will be Delayed Until About Oct. 1st When New Company Expects to be Ready for Business

Mr. Condon, of Chicago, representing the Angola and Waterloo Utilities Co., was in Angola and Waterloo last week. Owing to some delay in getting titles adjusted the new firm will hardly get started before Oct. 1. In a few days an inspection trip in autos will be made over two or three separate routes between the two towns to decide upon the most practicable one and the new line will be built as rapidly as possible. It is the intention to interest farmers in the use of electric lights along the line and no doubt the wires will be strung along the route where the most encouragement is offered for taking lights. It has been decided to inaugurate day and night service as soon as the wires can be established between Angola and Waterloo. The citizens along the line and in the two towns are watching with much interest the developments under way.

THE BEST TIME TO ADVERTISE

By BERT M. MOSES,
President Association of American Advertisers.

There is a popular saying that runs something like this:

"The best time to advertise is all the time."

Like most sayings this sounds clever. This one is misleading and untrue.

The best time to advertise is determined by weighing, analyzing, sifting, and finally adopting a method that common sense shows will fit nicely into your requirements.

My business happens to be one which does not justify the use of large space.

Two or three inches single column is about the limit of the present advertisement.

A small space like that will show to best advantage on days when the fewest ads appear.

So the first question I ask the publisher is this:

"What days in the week do the department stores use the least

NODINE AND ALLIED FAMILIES OF NEW YORK, CONNECTICUT, INDIANA AND OREGON

****

When a small boy, my Mother told me she was born near Sharon, Connecticut in a small valley called "Nodine Hollow". Just one hundread and one years after her birth my wife and I visited this beautiful spot which is now a part of Macedonia Brook State Park, but still called by the older residents of the surrounding country Nodine Hollow" and the little stream "Nodine Brook". No one lives in the little valley at this time.The only relics of the former inhabitants are a part of a stone fence,two or three old cellars and many apple trees growing wild and tall in the forest where at one time the Nodines cultivated their farms.

Many hours of search through old cemeteries, Town(township)records in Connecticut and through libraries in Conn. and Massachuesetts resulted in much valuable information regarding the Nodine ancestry.

We find the name spelled Naudin, Nauden, Nodean,Naudain Nodden, Nodang, Nodyn, Nodyne and Nodine. For nearly two hundred years the name has been spelled in nearly all records "Nodine" as itsounded to the English.

During the two years following our visit to "Nodine Hollow" in July,1933,I have continued at odd times, my research and have found some very interesting Nodine data, also connections with two of the very prominent eary Huguenot families, Tourneur and De Vaux.

The mother of these last named children died at their birth. Hiram Nodine was a blaster in the iron mines near his home, in which he did all the blasting until 1848, when he and his family came to DeKalb county, locating on the southwest quarter of the southwest quarter of section 12, Grant township, near his father. The long journey from the New England states to Indiana was made through the lake and thence by canal to Fort Wayne and by stage to Waterloo. There Hiram Nodine followed farming, buying more land as he was prospered until eventually he owned two hundred acres. He was a man of good intellectual attainments and during his early days he taught school two winters. After the death of his wife Hiram Nodine returned to Connecticut, where he worked one summer in the mines and then returned to Waterloo, where,

on November 21, 1853, he married Mary Nodine, the daughter of Benjamin and Julana Nodine. She was born in New York state and came here with her parents in 1844, locating on the southwest quarter of section 12. Later her parents sold their farm and moved to Branch county, Michigan, where they lived a number of years and then bought a farm east of Fremont in the southwest corner of Clear Lake township, Steuben county, Indiana, where they spent the balance of their lives. To Hiram Nodine's second marriage were born the following children: Albert, born October 5, 1854, died at the Soldiers' Home at Marion, Indiana, January 15, 1906; Ann Melissa, born September 27, 1856, died on July 29, 1869; Emeline, born June 30, 1858, is the wife of A. C. Jackson, and they live in Michigan; William Jefferson, born April 10, 1860, who is represented elsewhere in this work; Mary Marilla, born December, 12 1861, died on October 31, 1868, from the effects of falling from a tree top that had been cut down; Ophelia, born August 21, 1863, died on September 12, 1873; George, born April 15, 1865, is a manufacturer of cement work at Waterloo; Charles, born June 13, 1867, lives on a farm near Waterloo in Smithfield township; Orasmus, born January 24, 1869, lives in California; Dora, born January 19, 1870, is the wife of John Shaw, and lives in Oklahoma; Amos, born January 2, 1873, lived in Waterloo; Richard, born August 31, 1874, died January 31, 1875; Henry, born November 30, 1875, is employed in W. J. Nodine's mills at Waterloo; Chloe, born June 6, 1877, died on May 2, 1892. The father of these children died on October 11, 1902, and his second wife passed away on January 30, 1885. Hiram Nodine was a man of strong character and strict integrity of word and action, and during his long residence in this locality he always commanded the fullest measure of popular esteem because of his upright life and splendid industry. Silas Nodine, the immediate subject of this sketch, received his education in the common schools of DeKalb county, and was reared to the life of a farmer, a pursuit which he has never forsaken, having early determined that to the husbandman there was afforded an independence and a guarantee of success which is offered by no other vocation. In this decision he showed success which is offered by no other vocation. In this decision he showed good judgement, for he has been to a gratifying degree successful in his agricultural efforts, and has become the owner of two hundred and forty acres of most desirable land in Wilmington township, to the cultivation of which he gives his undivided attention. He carries on a general line of farming an also gives some attention to the breeding and raising of live stock, in both of which he exercises sound judgment and wise discrimination, and among his fellow agriculturists he is considered up-to-date and enterprising farmer. His place is well improved in every respect, being kept in good repair and in all regards he exhibits a modern and progressive disposition, adopting new methods where their superiority over old methods has been demonstrated, the result being that he has obtained the maximum of results from his efforts. In 1883 Mr. Nodine was married to Emma Knavel, the daughter of George and Susana (Myers) Knavel, who were early settlers of DeKalb county, having come here from Ohio. To Mr. and Mrs. Nodine have been born the

following children: John B., Walter, Andrew J., Willis R., Henry D., Goldie Marie and Silas H. Politically, Mr. Nodine has been a life-long supporter of the Republican party and aside from the office of supervisor, which he held for a number of years, he has never held public office of any nature, preferring to devote his time and attention to his private business affairs. In all public affairs Mr. Nodine takes a deep interest. He unquestionably possesses the qualities which typify to the gentleman and because of his upright life he has won and retains the friendship and respect of all who know him.

Robert McCurdy, section 25, Franklin Township, was born in Holmes County, Ohio, Oct. 12, 1838, a son of John McCurdy, now of Butler Township, De Kalb County. His parents came to this county in 1843, and settled on a tract of heavily timbered land, at a time when wild animals were their most familiar neighbors. Our subject remained at home till the breaking out of the war of the Rebellion, when he enlisted in Company G, Fifty-third Indiana Infantry, and served ten months. He participated in the battle of Kingston and several minor engagements. He was married Oct. 8, 1863, to Sarah A. Kennedy, who died three months later. July 20, 1865, he married Celinda Mumma, daughter of George Mumma, of Troy Township. To them have been born five children; but three are living—Inez, Elsie and Sarah. Mr. McCurdy was reared a farmer, and since attaining manhood has followed the vocation for himself. He has been successful, and now owns eighty acres of valuable land, with a good residence and farm buildings. He is a member of the Masonic fraternity. He and his wife are members of the Methodist Episcopal church.

James C. Myers, section 23, Franklin Township, was born in Ashland County, Ohio, April 18, 1826, a son of Jacob and Susan (Doughnut) Myers. In 1828 his parents moved to Crawford County, Ohio, and in September, 1837, to De Kalb County, Ind., and settled on section 22, Franklin Township. Their nearest neighbor was five miles distant. On account of the wild animals, they built their log cabin without a door, and entered the house by a hole in the roof. His father was a great hunter, being very fond of the sport, and one morning before ten o'clock killed six deer. James C.'s playmates were Indian boys. His

David Oberlin, farmer and stock-raiser, section 18, Franklin Township, was born in Stark County, Ohio, April 5, 1818. His father, Frederick Oberlin, was a pioneer of Stark County, moving there from his native State, Pennsylvania, prior to the war of 1812. He was reared on a frontier farm, and after reaching manhood left his native county, then a thickly populated and prosperous country, and started for the West, to again put in practice the lessons learned in his youth. In October, 1847, he arrived in De Kalb County, Ind., and entered a tract of Government land in Franklin Township, at that time heavily timbered. He went bravely to work and by spring had enough land cleared to plant a crop, and in due time by his own labor had cleared sixty acres. In 1870 he moved to the farm where he now lives, and where he owns 106 acres of valuable land. Mr. Oberlin was married March 10, 1841, to Mary Van Horn, daughter of David Van Horn. HOME-COMING LAST SUNDAY

The seventh home-coming of the Alvarado Sunday school and old Alvarado high school was held Sunday, July 26th.

The inclemency of the weather in the morning no doubt kept many from coming, nevertheless 120 attended Sunday school and listened to one of Rev. Carnes' splendid sermons, using for his text three verbs, "come tarry, go."

A trio was rendered by Lois and Lelah Eyster and Gladys Tingler which was well received.

At the noon hour all gathered on the school campus where a splendid basket dinner was served cafeteria style to which all did justice. After dinner some time was spent in visiting. Nearly 225 people were in attendance. Visitors came from South Bend, Angola, Fremont, Hamilton, Metz, Pleasant Lake, Ind., and from Columbia and Edon, Ohio, and Reading and Hudson, Mich.

At 2:30 the president called the meeting to order and an appreciative audience listened to the following program:

Address of welcome by Mrs. Cora McCool was well received and heartily responded to by Mrs. Wm. Kohl, of Edon and Mrs. Willennar, of Hamilton.

Music, Aletha Cook.

Readings by Gladys Tingler and Hazel Cosper.

Two numbers were sung by the Kiess sisters.

Poem "The Old School Clock," by Mrs. S. A. Cook, of Edon.

Mrs. Baker, of Hamilton, told what a home-coming meant to her which voiced the sentiment of many.

Two numbers were sung by members of the Sunday school of 25 years ago, "Tarry by the Living Waters," and "Thou Thinkest Lord of me."

L. W. Fairfield and family were passing and seeing the gathering, stopped to investigate. Being asked to talk, he responded in his usual efficient manner, giving splendid thots for future meditation.

Those present of the old high school sang, "When the Roll is Called Up Yonder."

G. O. Simpson, of Angola, used as his subject, "Responsibility of Parents."

She leaves to mourn her departure to the better home, a husband with whom she shared the joys and burdens of life for 53 years; 3 sons who will ever remember her ministrations of love and motherly care; one brother, Benj. Myers, of Butler, and one sister, Mrs. Chas. Culbertson, of Butler; 7 grand-children and many relatives and friends who will recall many pleasant memories of the happy associations with her in the days gone by.

JOHN WILLLIAMS SUICIDES

John Williams committed suicide by shooting himself with a 32-calibre revolver on the Dodge farm north of Hudson last Thursday night. The body was found next morning and it is presumed that he had been dead for four or five hours.

Williams came to this vicinity from Tipton and was employed on the county line road while it was under construction. He has been making his home around Ashley since the completion of the road. He was 53 years of age and a widower. Financial trouble seems to have been the most logical cause of his act since many unpaid bills were found among his effects.

The body was brought to the Ford N. Swift undertaking parlors where it was prepared for burial and then was taken to the home of a niece in Ashley whereshort funeral servicer were held and burial was then made in the Hamilton cemetery.

size crop of wheat, 122 bushels at 52¢ per bushel. Further court records (case 2281, Doc CP2, pg 58) state that all the children were over 15 years of age at the time of Jacob's death. Michael Flegle was appointed guardian of Noah, a minor, on 24 November, 1840. A civil case appears on the books in March 1842 where John Slentz brought suit against Mary Slentz et al (Vol 36, pg 763). A deed to a lawyer is signed by Henry, Eli, Andrew, Michael, Abner and Jacob Slentz. The details of the case are not given, nor is its outcome. The dispute was probably over the settlement of the land left by Jacob.

Mary, Jacob's wife, was born in Pennsylvania c1779 and was still alive in 1850 when the Census showed her living next door to her son, Andrew and his family in Columbiana County, Ohio. (pg 779, family 35)

THE CHILDREN OF JACOB AND MARY SLENTZ

I. JACOB SLENTZ JR - b c1795 (age 60 in Mar 1855) probably in York County, Pennsylvania. Owned land in R5 T15 Sec 17 being part of 100 acre tract conveyed to the widow and heirs of Frederick Schellenberger by John Hiner (Vol 58, pg 417). Served in the War of 1812 as the 4th Cpl in Capt George Frysinger's Company of Infantry in the 3rd Regiment of Pennsylvania Militia under Col LeFever. Drafted on 1 Nov 1814 and marched to the defense of Baltimore. Since the British had evacuated by the time they arrived, he was discharged there on 5 Dec 1814. His place of residence is given as York Co, Penna with zero miles to the rendezvous at Hanover. At the time of his discharge he was 42 miles from home (the distance from Hanover, Penna to Baltimore, Md). Jacob entered a land bounty claim on 28 Sep 1850 from Stark Co, Ohio based on this service and was awarded 40 acres of land. On a later application, 17 Mar 1855, Jacob was given an additional warrent for 120 acres. His original orders to report for service and his discharge are in file # BLWT 7799-120-500 in the National Archives. His orders state as follows:

1886 January 6 Death information, unknown paper (probably Press)
"G. W. Myers, who resided on West Maple Street, died very suddenly at his home last Saturday. He was in the field husking corn for Mr. Clutter, when his son, Jacob, who was working with him, noticed he did not reply when spoken to, and he suddenly fell over helpless. The son got him into the wagon and took him home, where he died about one o'clock p.m. It is supposed he had a paralytic stroke. He was buried at Hamilton on Monday. Funeral was at the Disciple church in Waterloo, Rev. Z. W. Shepherd

COMMENT: Microfilm images very poor, almost unreadable.

COMMENT: In the 1840 CENSUS: Indiana, DeKalb Co., no township indicated; a George Myers is listed. No Jacob Myers is listed. Jacob is said to have come into the county in 1837, Franklin Twp. So, George is possibly named as head of the house, but living with his father Jacob: the property was owned by Jacob as land acquisition in 1837 as stated in BLM document above.

1848 MARRIAGE 31 August: Indiana, Elkhart Co., George Myers to Catherine Rush
This is possibly the correct George, but need to get a copy of marriage

record.

COMMENT: Benjamin Rush located in Elkhart County, no township listed -- 1840 Census, page 5 and 1850 Census, Elkhart County, Concord township, page 19. Is this man connected to Catherine???? What other Rush families are in Elkhart County???

QUESTION:
If John is 4 years old as stated in the 1850 census, he would have been born before the marriage of Catherine and George. But John was born in 1849. What is the correct
George may have had a first wife, Marie Miller as stated following: Marie C. Miller may have been wife #1 may have been mother of John.

Their nearest neighbor was five miles distant. On account of the wild animals, they build their log cabin without a door, and entered the house by a hole in the roof. His father (Jacob) was a great hunter, being fond of the sport, and one morning before ten o'clock killed six deer.....His father (Jacob) died in November 1881.

COMMENT: on the 1880 plat book for Franklin Twp., a G. King is in sec. 14, just East of J. Myers.

1886 January 6 ???? Death information, unknown paper (probably Press) "G. W. Myers, who resided on West Maple Street, died very suddenly at his home last Saturdsy. He was in the field huskig corn for Mr. Clutter, when his son, Jacob, who was working with him, noticed he did not reply when spoken to, and he suddenly fell over helpless. The son got him into the wagon and took him home, where he died about one o'clock p.m. It is supposed he had a paralytic stroke. He was buried at Hamilton on Monday. Funeral was at the Disciple church in Waterloo, Rev. Z. W. Shepherd officiating. On returning from the grave the friends were liberally entertained by a son of the deceased, Levi Myers, who resides northeast of town. The age of the deceased was 65 years and 12 days. 1848 MARRIAGE 31 August: Indiana, Elkhart Co., George Myers to Catherine Rush
This is possibly the correct George, but need to get a copy of marriage record.

COMMENT: Benjamin Rush located in Elkhart County, no township listed -- 1840 Census, page 5 and 1850 Census, Elkhart County, Concord township, page 19. Is this man connected to Catherine???? What other Rush families are in Elkhart County???

QUESTION:
If John is 4 years old as stated in the 1850 census, he would have been born before the marriage of Catherine and George. But John was born in 1849. What is the correct
George may have had a first wife, Marie Miller as stated following: Marie C. Miller may have been wife #1 may have been mother of John. TamamaHendricks52 on ancestry,com family trees. Not confirmed as true (13 May 2008 or 24 July 2013)

Individual Report for George W Myers

Individual Summary: **George W Myers**

Sex:

Father: Jacob Myers
Mother: Susan A. Doughnut

Notes:

COMMENT: Jacob and Catherine are living in the same dwelling number, 89, as George and Catherine Myers.
Neighbors: Henry Smith, Edward Rohabaugh, Solomon Nidic, George Firestone, Oberlin.

COMMENT: George apparantly had no real estate listed; lived in the same house as Jacob, line 89, but was listed as a separate family, 91. George probably helped on his father's farm.
NEIGHBORS: Henry Smith, Edward Rohabaugh, Solomon Nidic, George Firestone.

As mentioned in biographical sketch of son, James C. Myers, pg. 629-30: "In 1828 his (James) parents moved to Crawford County, Ohio, and in September, 1837, to DeKalb County, Ind., and settled on section 22, Franklin Township. Their nearest neighbor was five miles distant. On account of the wild animals, they build their log cabin without a door, and entered the house by a hole in the roof. His father (Jacob) was a great hunter, being fond of the sport, and one morning before ten o'clock killed six deer.....His father (Jacob) died in November 1881.

1860 CENSUS: Indiana, DeKalb Co., Franklin Twp., DeKalb Co., Ind. page [80], line 18, dwelling 587, family 572; enumerated 25 July 1860 by A. C. Duncan
George Myers, age 39, m, no real estate value listed, personal property $300, pb Ohio, cannot read or write
Catherine, age 38, f, pb Penn., cannot read or write
John, age 13, m, pb Ind., attended school
Jacob, age 11, m, pb Ind., attended school
Levi, age 7, m, pb Ind., attended school

NEIGHBORS: Philip Mann, Jacob Myers, Henry Smith, Francis Johnston.

COMMENT: George is now located in a separate dwelling from Jacob, but shows no real estate value, so the land is probably still owned by Jacob in 1860.

1865 LAND RECORD: Indiana, DeKalb County. Recorders Office, Book Y, page 187 (microfich copy)
Warranty Deed; 7 June 1865
N end of E1/2 W1/4, S22, T35, R15E (probably should have been recorded as R14E; see comment below]
Deed: By this Deed Jacob Myers and Susan Myers his wife of DeKalb County in the state of Indiana convey and warrent to Catherine Myers of DeKalb County...for the sum of seven hundred and fifty dollars; thirty acres off of the North end of the East half of the West quarter of section Twenty two (22) in Township number thirty five (35 North of Range fifteen (15) East bounded by a line commencing at the North East quarter of said section twenty-two (22) and running thence South sixty rods thence West, eighty rods, thence North sixty rods thence East to the place of beginning. Notes:

herewith set their hands and seals, this.seventh day of June a.d. 1865...
Signed Jacob (his mark) Myers; Susan (her mark) Myers
Attest James E. Rose, Notary Public
I certify that this deed of which the above and foregoing is a true copy, was duly stamped as provided by Act of Congress, and recorded on the 16th June 1873 at 11 o'clock a.m.
D. B. Hoffman, Recorder of DeKalb County
[this land consisted of 30 acres]

COMMENT: This deed states that the above property was located in Range 15 East. If that were true the property would have been located in Troy township, section 22, when in fact the 1863 Map of DeKalb County doesn't show that Troy township has section 22; it is a half of a township with half of the usual numbered sections. Therefore I feel this property is located in Franklin township and has been transfered to Catherine, the wife of Jacob's son George, for unknown reasons, instead to George himself. This property is later transfered to another and both George and Catherine signed the deed; 26 March 1877 to a Arteman Corbett and lists it as in S22, T35, R15
CHECK THIS RECORD AGAIN

1870 CENSUS: Indiana, DeKalb Co., Franklin Twp., page ?, (botton of page and continues to next page)???????
George Myers, age 51, m, w, farmer, real estate $1000, personal $380, bp Ohio
Catherine, age 50, f, w, keeping house, bp Penn
Luvina? King, age 16, f, w, domestic, bp Ind
Jacob, age 20, m, w, farm laborer, bp Ind.
Levi, age 17, m, w, farm laborer, bp Ind.

A Levina King, age 7, lived with Jacob at time of 1860 census. Was she a grandaughter of Jacob or some relationship unknown??? I believe she was the daughter of George's sister Maria Susanna Myers. Married to an unknown King?????
COMMENT: on the 1880 plat book for Franklin Twp., a G. King is in sec. 14, just East of J. Myers.
COMMENT: This census now shows that George has real estate value, and living next to Jacob Myers.

QUESTION: WHAT HAS BECOME OF George's son John?? DID HE GO TO KOSCIUSKO OR ELKHART COUNTIES???

While one of our lady citzens was in attendance at the Christmas tree festival at the Evangelical church last Thursday evening, some persons entered her house and paid their principal attention to her pantry, anticipating her Christmas dinner. Just in what condition they left it (the dinner) we are not advised, but they left one of Williamson's Patent Pantry Perfection, and which finely wrought of parti colored wood, may be taken for an upright piano, or a freeze-box, but contains flour and meal compartments, moulding board, etc., and so forth, ad infinitum. All this time the marshal in blissful ignorance was patrolling the streets of the town endeavoring to keep the peace and maintain order, this bold burglary was perpetrated at the house of Mrs. W. O. Butler, and some mischievous persons have suggested that her reverned husband might be in collusion with the persons guilty of this audacious enterprise.

Some persons take exception to making Christmas a legal as well as social holiday, as dignifying a religious festival. That Christian Nations observe the 25th of December in commemoration of the nativity of the Savior, is not to be understood that the event occurred at that period. Of the early Christian churches, some held the festival in May or April, others in January, and as the 25th of December season in

feed.

Died, at his residence in Franklin township, this county, on the evening of December 21, 1885, after a lingering illness of two months of cancer in the stomach, in the 68th year of his age, Samuel Haverstock. He was born in Paint township, Wayne county, Ohio, February 5, 1818. His father, Conrad Haverstock, was a cabinet maker in the little town of Paint, afterwards known as Mount Eaton, from its location on a high hill. His father's family consisted of five brothers and two sisters, he being the eldest. At the age of fifteen his father removed to Wayne township, Tuscarawas county, Ohio, where in Feb., 1841, he was united in marriage to Phebe Masters, who survives him. He lived in Tuscarawas county, following farming as an avocation till April, 1857, when together with his family removed to DeKalb county, Ind., buying the Daniel Kepler farm of 278 acres at about $22 per acre, upon which he has since lived and on which he died, the same remaining unbroken during his life. He, at the same time, bought out his father-in-law, David Masters, who then owned the farm now owned and occupied by Jonathan Haverstock, consisting of 270 acres. With this large farm of 548 acres, he commenced business in DeKalb county adding farm after farm to his already large estate until 1867, when he owned in this county eleven hundred and thirty-five acres. In this year he deeded the last described land to his son, Jonathan, who still owns it. His family consisted of three sons and three daughters, all married and in good circumstances, to whom he has already given $9,000 apiece, and a large estate still undivided. Mr. Haverstock was a man of indefatigable industry, one of the most successful and intelligent farmers of this county, one of the most hard working men of his neighborhood, and a man from whom less successful farmers eagerly sought advice and instruction. He was lenient and indulgent to those who became indebted to him. He was a good neighbor, kind and accommodating in his family, and with an iron will controlled the smallest detail in his large estate. His death, though not looked for, yet came much more sudden than was anticipated, as quite an amount of his business matters were closed up on the 18th, at which time hopes for his recovery were entertained. His funeral took place from his late residence on the 23d. Rev. Stewart, of the M. E. church, with which the deceased had been connected, officiating. His remains were interred in Hamilton cemetery, Steuben county, Ind. William Haverstock, of Kansas, being the only brother present.

Also, by comparing the handwriting in a family Bible to other handwriting samples (ideally more than just a signature), you may be able to determine who made the entries. This can substantially impact the value of the Bible's information. If the entry was made by someone who was most likely present at the event, the information is more likely to be accurate than if it was made a generation or two later.

I like to collect signatures of ancestors. I don't have all that many pictures, and only one couple had their portrait painted. Signatures are a little bit easier to collect and sometimes lead to new and unexpected information.

"We do not as a rule allow ourselves to use our editorial columns to speak of any remedy we advertise, but we feel warranted in saying a word for Hood's Sarsaparilla. Sarsaparilla has been known as a remedial agent for centuries and is recognized by all schools of practice as a valuable blood purifier. It is put up in forms of almost infinite variety, but Messrs. Hood & Co., (Lowell, Mass.) who are thoroughly reliable pharmacists, have hit upon a remedy of unusual value. Certainly they have vouchers of cures which we know to be most extraordinary."—Editors Lowell Weekly Journal.

The Courier man fears we shall mistake some of his gibberish for dynamite. Don't worry, we can tell wind from dynamite. The little fellow thinks, too, we are mad; bless you no. He says he turned us inside out! Well, that ought to make us mad. But stick a pin right here, whenever you see fit to jostle the business men or affairs of our town, you may expect to hear something drop; call us jealous or what you wish.

Albion New Era: Another government appointee has been taken from Albion, or will be in the near future, this time in the person of Col. William C. Williams, who gets the position of examiner in the pension department at Washington at a salary of $3,000 per year. Col. Williams is fully competent, we think, to discharge any duty of that kind to which he may be called, and we are pleased to hear of his good fortune. We believe he will go to Washington soon. Albion will then have two men in the departments—Williams and Kiser.

On Christmas eve, invited guests to the number of twenty or more, assembled at the home of Mr. H. S. Stroh, and were treated to an oyster supper, after which the company went to the home of Mr. Jacob Johnson, the father of Mrs. Stroh, where a fin Christmas tree had been previously arranged, by fair hands. The tree, a beauty in itself was well loaded with presents, amounting to twenty dollars in value. Each one present received an appropriate present, besides several jokes were perpetrated upon the younger members of the company, which were received in good spirit. All present, voted the evening one of pleaure and enjoyment.

On Christmas day, the friends of the Cedar Lake Sabbath School held their annual picnic dinner, in the church. A goodly number were present and a pleasant time was the result. Some one thought of a touching act of kindly remembrance, and a portion of the good things from each basket were taken and carried to the Auburn jail and presented to Mr. Charles Thomson, who was won't to be remembered among the happy throng gathered at these anniversary dinners. The prisoner was not so hardened in sin but that he felt the act of kindness, and it may be that this simple act will bear rich fruit for a better life.

Mr. George Myers died very suddenly last Saturday, Dec. 26, after a very brief illness. Having gone out to work at husking corn, but was taken with some form of paralytic attack, losing consciousness and ability to move. A short time after the beginning of his ailment, he was conveyed to his home on west Maple street, where he died in a few hours. His funeral services were conducted by Dr. Shepherd, at the Christian Chapel, on Monday, Dec. 28, and his remains were taken to Hamilton for interment. He was 67 years of age, and for 23 years had lived a quiet consistent Christian life—a member of the M. E. Church.

Household Members	**Age**
John N. Myers	**35**

Petitions. Did your ancestor sign any petitions? The Isaac Rucker listed on an early Virginia Religious Petition dated November 10, 1779 in Amherst County is a likely ancestor of mine. John DeMoss signed a 1768 Maryland petition regarding the moving of the Baltimore county seat from Joppa to Baltimore. The originals of these petitions are housed in the respective state archives or libraries. County facilities may also have records of this type.

Siblings and Extended Family Members. Your ancestor's signature may appear in a record for one of his or her siblings. Some quick examples from my own research illustrate this:

Witnesses on the marriages of three of my great-grandparents were relatives, including siblings of the couple and in one case the bride's mother. My second great-grandmother testified for her sister-in-law's Civil War widow's pension and signed her statement. Another ancestor signed the marriage bond for his sister in Kentucky in the 1820s.

Neighbors. John H. Ufkes witnessed the will of his neighbor in Basco, Hancock County, Illinois in the 1890s. Many wills and other documents were witnessed by neighbors or relatives. The will of James Rampley from Harford County, Maryland in 1812 was witnessed by relatives and neighbors. Foche Goldenstein's homestead claim from Dawson County, Nebraska in the 1880s contains testimony (and signatures) of two witnesses who staked claims near his.

Comrades. The Civil War pension file of Riley Rampley contains a signed affidavit from Wilford Manlove. Wilford served in Riley's unit and was there the day Riley collapsed on the battlefield due to sunstroke. At the bottom of Wilford's statement is his signature. For service in earlier wars such testimony may have been even more crucial due to the destruction of records or poor record keeping. After all, during wartime, keeping records for later pension claims is not a high priority.

Census Taker, County Clerk, Judge, Notary, etc. If your ancestor was employed by or involved with any organization that created records, his or her signature (or at least handwriting) may be available on numerous pages. Census takers signed the returns, county clerks (be careful as their sub-clerk might have signed some documents for them), county office clerical staff, sheriffs, doctors, lawyers, and others might have signed any of a number of official records.

But Is All This Necessary?

Obtaining copies of your ancestor's signatures can be done partially for the fun of it. There are more of my ancestors for whom I have signatures than for whom I have pictures. This is especially true in earlier years. But signatures can serve other purposes as well. In some cases, a genealogical "case" may partially hinge on using a signature to "document" that two
